Evaluation:

Midterm Exam: 40%

Final Exam: 20%

Class Participation: 40%

Class policy

- The educational content is presented through Powerpoint Slides along with audio files in Navid webpage. Online trouble shooting sessions are held once every two weeks and students are expected to participate actively in online classes.
- A midterm exam is given to the students at the most appropriate time. The educational content is **not excluded** from the final exam.
- Participation in online classes is obligatory. Otherwise, students are not allowed to take the final exam.
- One bonus point is added to the final grade of the students who have managed to attend all the online sessions and have participated vigorously in learning activities.

Objective

This course titled “ESP I” prepares students for Medical English comprehension. It aims at making the students familiar with **medical prefixes, roots and suffixes** as well as **learning to paraphrase. Important structures in academic English** are also presented. At the end of the course, students should be able to comprehend *medical, academic and scientific texts*.
